Travel insurance for members

CFMEU South Australia has arranged leisure time travel insurance for all financial members of the union.

This Brochure provides a summary of the benefits. For full details about the benefits and terms and conditions you should read the:

- Product Disclosure Statement and Policy Wording; and
- Policy Schedule.

We will supply these documents before you register for travel.

To be eligible for cover, you must:

- Be a CFMEU SA financial member when you make a deposit payment for your journey
- Remain financial for the duration of your trip
- Be 75 years of age or under

Your spouse/partner and dependant children are also covered when they travel with you.

The policy provides cover for trips up to a maximum of 180 days within Australia and overseas.

Cover starts from the date you leave your usual home residence for a destination more than 250km from your residence and ends on the 180th day or the date you return to your usual residence, whichever occurs first.

Existing medical conditions

Claims caused by, or directly the result of, medical conditions for which you have received or been prescribed treatment, medication, preventive medication, a prescription or an investigation within 30 days of booking your journey are not covered.

This also applies for claims made due to the illness of your travelling party as well as non-travelling relatives, business partners or any other person you have a relationship with whose state of health could impact your travel plans.

The Product Disclosure Statement and Policy Wording along with the Policy Schedule provides full details, particularly the sections relating to existing medical conditions which are not covered under the policy. There are a limited number of conditions that, if stable and well-controlled, will not be treated as an existing medical condition.
